Asian Expertise, Global Connections

We leverage our deep Asian expertise, strong established networks, strategic partnerships and customised technology-based integrated logistics solutions to fulfill demands, even under uncertainty. Our network extends beyond the borders of our own countries and around the globe, with our membership with the IATA, WCA, GLA and GLN networks.

Our experience and expertise in the area of logistics, freight forwarding, warehousing, value-added services and e-commerce connects and mobilises the global and regional markets.

Our dedicated people, agile thinking and multimodal solutions empower our customers to achieve operational efficiencies, cut costs, lower risk and focus on their core work.

PLG is bravely seeking new frontiers and changing the way logistics operates in Asia and beyond.

About Us

Today, PLG is one of the fastest growing Logistics and Freight Forwarding companies in the region, employing a workforce of over 200 people in Singapore alone across its group of companies.

With its global connections and regional networks spanning 15 locations in 10 countries (Singapore, China, Malaysia, Laos, South Korea, Cambodia, Philippines, Thailand, Indonesia and Germany), PLG provides customised and cost-effective integrated logistics solutions to its clients, many of whom are multi-national companies.

In Singapore, PLG owns and manages a 700,000 square feet flagship corporate building and modern warehouse near Singapore's new Mega Seaport at Tuas. Combined with 4 other leased warehouses, PLG manages a massive 1.3 million square feet of warehouse space to service its diversified clientele.

OUR HUMBLE BEGINNINGS

Founded in 2000 by Mr Kelvin Lim, PLG started modestly as a freight forwarding company with 2 employees in a small office space

PLG Building (Singapore HQ)

- PLG's new building is located right next to the Tuas Mega Port
- 2 levels of office space with 25,000 square feet on each level at the roof top with a 360-degree sea view
- 100,000 square feet roof-top parking space
- Total of about 700,000 square feet floor space

Our Key Milestones

History

Established in 2018, Pacific Integrated Logistics Philippines Representative Office is engaged in the dissemination of information, facilitation of communication and in connection therewith, the render of technical service and support to, potential and existing clients of our parent company.

Primary services provided to customers are:

- Air & Sea Freight Forwarding
- Customs Clearance
- Warehousing

Other Services

E-Commerce

- Starts with the importation from any origin incoming into Philippines, to brokerage/releasing/under guarding of goods, up to delivery to warehouse.

Last Mile Delivery (LMD)

- Nationwide delivery via different freight transportation options such as land and air.

Strengths

As a representative office, our strength lies in the expertise of our mother company, Pacific Integrated Logistics Singapore, in the field of Supply Chain & Logistics.

With a strong and effective network of branch offices and agents, this provides us with the necessary tool to effectively serve our customers with whatever requirements they have from around the globe.

Goal

To establish a branch office in the next 3 years to better serve our customers, reach out to new ones and expand our capabilities in the area of freight forwarding, customs clearance, warehousing and e-commerce.
