# *— Company Profile: Malaysia*

# Asian Expertise, Global Connections

We leverage our deep Asian expertise, strong established networks, strategic partnerships and customised technology-based integrated logistics solutions to fulfill demands, even under uncertainty. Our network extends beyond the borders of our own countries and around the globe, with our membership with the IATA, WCA and GLN networks.

Our experience and expertise in the area of logistics, freight forwarding, warehousing, value-added services and e-commerce connects and mobilises the global and regional markets.

Our dedicated people, agile thinking and multimodal solutions empower our customers to achieve operational efficiencies, cut costs, lower risk and focus on their core work.

PLG is bravely seeking new frontiers and changing the way logistics operates in Asia and beyond.

# About Us

Today, PLG is one of the fastest growing Logistics and Freight Forwarding companies in the region, employing a workforce of over 200 people in Singapore alone across its group of companies.

With its global connections and regional networks spanning 16 locations in 10 countries (Singapore, China, Malaysia, Laos, South Korea, Cambodia, Philippines, Thailand, Indonesia and Germany), PLG provides customised and cost-effective integrated logistics solutions to its clients, many of whom are multi-national companies.

In Singapore, PLG owns and manages a 700,000 square feet flagship corporate building and modern warehouse near Singapore's new Mega Seaport at Tuas. Combined with 4 other leased warehouses, PLG manages a massive 1.2 million square feet of warehouse space to service its diversified clientele.

## OUR HUMBLE BEGINNINGS

Founded in 2000 by Mr Kelvin Lim, PLG started modestly as a freight forwarding company with 2 employees in a small office space

# PLG Building (Singapore HQ)

- PLG's new building is located right next to the Tuas Mega Port
- 2 levels of office space with 25,000 square feet on each level at the roof top with a 360-degree sea view
- 100,000 square feet roof-top parking space
- Total of about 700,000 square feet floor space
